Fire Permits

All residents are reminded that By-Law # 1435-12 requires **all residents wishing to burn wood or by-products of wood only are to obtain a fire permit from the Larder Lake Fire Department**. Residents are also reminded that in the event of a fire ban that is proclaimed by the Ministry of Natural Resources, all fire permits are cancelled. You must obtain a new permit every year.

We would also like to remind all residences you are not allowed to burn prohibited substances such as kitchen garbage, construction materials and materials containing rubber, plastics, tar or any which emit a noxious or poisonous substance or pollutant. All residents who wish to have a campfire in their back yards should do so using an approved Outside Fire Pit or Outside Fireplace and they must be inspected by the Larder Lake Fire Department. *******Canada Day Festivities*******

Canada's 150th anniversary of Confederation in 2017 is a historic moment with the power to bring people and places together as we dream big about our communities and our country. It's a chance to encourage all Canadians to contribute to their communities in a way that will foster a greater sense of belonging, support meaningful reconciliation and leave a lasting legacy now and for future generations. The Township of Larder Lake is **seeking persons or groups to organize and run this year's Canada Day festivities**. We had an excellent turn out last year and we are looking forward to hosting it again this year with your assistance. **We need volunteers like you** to make our community rich with programs for all ages. If you would like to be part of this success please contact the Township office at 643-2158 or email info@larderlake.ca

*******LCBO Closure*******

Concerned citizens are urged to act now and contact LCBO to re-open or establish a new outlet in Larder Lake. Recently, a petition was distributed around town to gather signatures. **It has now come to our attention that it is also necessary for everyone to call LCBO directly and voice their concerns.** The number to call is 1-800-668-5226; choose "option #3 for all other inquires" which will allow you to speak to a representative. We encourage all residents to call and voice your comments and concerns regarding the closure of the LCBO. Currently, based on the low volume of calls received, the LCBO is under the assumption that the closure of the Larder Lake establishment is not a concern to our residents.
